# NEW EVERY-AGE ART VENUE OPENING THIS SATURDAY!

art . rad music . button making . by donation . 6-11 pm

Hello Local Librarians!

After months of planning, painting, cleaning and collecting donations Local Library is ready to open! This Saturday, March 20th we're having the opening party and really hope you'll come celebrate with us.

There will be lots happening that night, so here's a quick overview!

Come by early to view new work by local artist **Bree Zorel in the gallery**. You'll have a chance to check out the workshop room across the hall and all the amazing art materials and equipment we've received in donations. There will be live music upstairs and a surprise workshop too! The gallery and workshop room will be open from 6-9pm.

**Our first every age show will start in the gym at 7 pm** and we're so excited about the lineup! Five of Calgary's sweetest bands and all by donation.
